
GENERAL POLICY STATEMENT

It is the objective of Wilec (Fire & Security) Ltd to do all that is reasonably practicable to prevent injury and damage to employees, customers, sub-contractors, visitors and property. Wilec (Fire & Security) Ltd undertakes to protect employees and others from foreseeable work hazards and to enlist the active support of employees in achieving such conditions. In this Safety Policy the various hazards are recognised and the necessary arrangements to reduce risks to a minimum are set out.

In recognition of our responsibilities under the

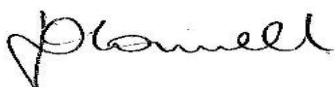

Safety, Health and Welfare at Work Acts, 2005 & 2010
Safety, Health & Welfare at Work (General Application) (Amendment) Regulations 2007 to 2016;
Safety, Health & Welfare at Work (Construction) regulations 2013

and any other legislation relevant to our operations, Wilec (Fire & Security) Ltd commits itself:

- To promote standards of health, safety and welfare that comply with the provisions and requirements of the *Safety, Health and Welfare at Work Acts, 2005 & 2010* **and all other statutory, Regulations, provisions and codes of practice.**
- To provide and maintain a safe and healthy working environment, safe systems and methods of work and to protect employees and others, in so far as they come into contact with foreseeable work hazards.
- To provide all employees with the information, training, instruction and supervision that they need to work safely and efficiently and to develop safety awareness among employees.
- To provide where necessary a competent person to advise and assist in health and safety matters.
- To define all individual's responsibility for health and safety matters.
- To provide sufficient authority and resources, both financial and otherwise to enable staff to carry out their responsibilities in a reasonable and efficient manner.
- To encourage full and effective joint consultation on all health and safety matters.

All members of staff and sub-contractors will be made aware of and have access to this Safety Statement.

This Safety Statement will be subject to revision and is liable to amendment if circumstances change.
